**WHEREAS**, federal law establishes procedures for the implementation, application, and enforcement of immigration laws, and

**WHEREAS**, every Illinois judge is sworn to "support, obey, and defend the Constitution of the United States and the Constitution of the State of Illinois,"

**IT IS HEREBY ORDERED** that:

1. Local, State, and Federal law enforcement officers should notify court security and local law enforcement before apprehending individuals at or near the courthouses.
2. Local, State, and Federal law enforcement officers shall conduct necessary apprehensions of charged defendants discreetly to minimize the impact on court proceedings.
3. Such apprehensions shall occur after the defendant's court event has concluded.
4. Apprehension of the charged defendant may occur in the public areas of the courthouses, provided that the apprehension does not interfere with the use of said premises or the safety of others in that area. Apprehension in any other part of the courthouses shall be pursuant to the specific approval of the Chief Judge.
